New Business

Member Guy Cesa asked the board to rescind our \$1 per day fee for members. He thinks it is unfair to retired people who shoot frequently.

An out of state person approached Jim McCormack with a proposal to donate \$5000 to the range in exchange for life memberships for the person's parents who live here and shoot. We thought this was a generous offer. John Marshall moved to use the money to buy a video surveillance system. Paul seconded. Motion passed. Jim will look at applying for a grant to extend the money.

One shooter asked for us to install a system to use credit cards. We do not feel it would be worth the effort.

Clarification on our \$1 member fee: The fee applies to all members to include Life and Corporate.
